### Thanksgiving Turkey

Behold the golden holiday turkey  
who's not feeling too perky.  
Human tastes are a bit quirky  
even eating beef jerky.  
We all recall Turkey-Lurky  
whose motives were a bit murky.  
Some find tale a tad irky.  
Turkeys hope requests become shirky  
Let turkeys remain smirky.  
Still butchers find such work key.
