

Marianne

Valentine's Lament

Valentine's Day
breaks many lonely hearts..
No cards, flowers, chocolate say
you are alone.
Okay?

But saddened heart
did you send any love?
Did you render loving apart?
Like to be free?
Love dart?

To hit target
widen your tight circle,
ripple warm vibes widely to get
a hot response
but yet

love is tricky.
It might not last too long.
Situations can get sticky.
Sometimes love is
icky.

Give love a chance
knowing no guarantees.
Hope a lover can enhance.
New find. Keeper
perchance?
