## Secular Easter

Easter at our house is secular–  
a time for family  
and fun.

Search for baskets irregular–  
cue cards in poetry.  
Then run.

Plastic, coin-filled eggs popular.  
Dyed eggs often iffy,  
undone.

Candy, lamb, salmon regular  
fanfare. Festivity  
begun.

**Memento:** Created by Emily Romano. A poem about a holiday or anniversary.

3-line stanzas or tercets

Syllable Count: 8-6-2 per stanza.

Rhyme Scheme: a-b-c a-b-c for each of the two stanzas.

Example keeps same rhyme scheme throughout. Second set of stanza could start another rhyme scheme.

This is centered. Try flush left as well.
