Mono-rhymed Fib
By Bob Varsell

Rhymed Fib: The syllable count for a rhymed fib is the same as an unrhymed Fib-1-1-2-3-5-8. Experiment with various rhyme schemes. The fib sequence is built by adding adjacent numbers $1+1=2$ $2+1=3$ $3+2=5$ $5+3=8$ $8+5=13$ $13+8=21$. See how far you can go.
