

## Rubaiyat

### The Golden Corner

Honey planted her sunflowers  
in her garden many hours.  
She called it her golden corner.  
Yellow, droopy-headed towers.

Radiant heads sunshiny yellow  
over multi-colored plants below,  
bow to greet her and delight her—  
pot of gold at end of rainbow.

**Rubaiyat:** Arabic format. Quatrain where first, second and third line rhyme.  
Syllable Count: 8 per line.
