

Triquatrain

Time to Shine

It's time to sparkle, star shine not darkle—
be carriers of light,
enlighten up and brighten up
open wings for flight.

Create sparky universe in this quarky multiverse.
Gravity is a downer.
Planet's getting shoddy with your heavy body—
both are just a loaner.

So while you're here, glow crystal clear,
ignite this world luminous.
Release the yokes of nasty folks.
Grow unity voluminous.
