

Tweeku

Angelic Diligence

Angels
wing it by clueless
humans

Angels
still rock an emptied
cradle

Angels
must find some requests
boring

Angels
lift most wingless ones
to flight

Angels
see dense blood clots in
oil spills

Angels
shake complacency–
earthquakes

Angels
singe our conscience in
fire

Angels
empower hope with
feathers

Angels
use pennies as love
tokens.

Halloween Tweeku

Goblins
invisibly like
to haunt

Witches
swish clouds, cobwebs on
broomsticks

Pumpkins
are jack-o-lantern
flashlights

Tricksters
when older become
treaters

Candy
not that fruit leather
Grandpa

Candy
chocolate–comes from
Grandma

Black cats
blend in the night with
black bats

Children
prowl streets with cautious
adults

Tweeku: Tweeku are triplets with 2-5-2 syllables. They are Twitter's haiku. The examples are using them in a series, but they can stand alone.
