

Vers Beaucoup

In the Night Sky

Tonight starlight makes a **bright
flashlight** to see where **stars** and **Mars**
are. Sparks in the **dark.** Unseen
quarks hide, **quirk** and **lurk.**

Seen on Halloween scene
between treaters and **eaters**
greeters with **gloom** and **doom**
zoom despair through the **air.**

Vers Beaucoup: Created by Curt Mongold. Means “many rhymes” in French. Each stanza has four lines. Rhyming word scheme in the line: a-a-a a-b-b b-c-c c-d-d. Only use maximum of three rhyming words. The 4th a rhyme is carried over to the second line. Causes enjambment and creates a strong internal rhyming structure.
