

Windsparks

Piece of the Action

I dreamed
I was a yellow M & M
huddled in a glass bowl on a buffet
nudging buddies on the spoon first
waiting.

Cosmic Sparks

I dreamed
I was the first atom of the Big Bang
bulging to blast this possible universe into being
exploding, expanding light and matter into space
infinitely.

Windsparks: Have five steps. Five lines.

1. I dreamed
2. What you were or are?
3. Where are you doing it?
4. What are you doing?
5. Last word: How are you doing it.
