

Cinq Trois Deca La Rhyme

Dolls

Soul-less replicas, animated by touch inanimate,
exact images, imaginative duplicates, playmate.
collections, toys, or objects to manipulate to our will.
Thing of beauty, reflected in art or craft, created still.
Mirrors of ourselves, mysterious or something we can..
Designed to tempt us, to elicit love, partner-- like pure gold.
Silent unless programmed, to say what want to hear, what are told.
Dolls named so vaguely, perceived so carelessly, comfort when ill,
reflect those wanting to escape risk of breathing or unfold..
