e Can we prevent global warming?
d Can we reverse our troubled plight?
f Can we make a consciousness shift?
e Renew and restore hearts swarming
f toward love, service and greater light?
- A Nubilous day and state of mind--
D there's some places must get it right.

Mud Bog at the Kinetic Sculpture Race

- a The riders enter mud with childish glee

b The challenge is what it is all about.
C They slog through the mud bog with praise from folks.
- d Chains break, get stuck in the muck but still go
e Time runs out and crowd tows them out, pull rope.
d Teams fall in mud- chocolate overflow,
f slathered strawberry. Sweaty and sunburned
e they pedal, push wheels, they strive on with hope.
F All this effort reveals just part they earned
- C They slog through the mud bog with praise from folks.
F All this effort reveals just part they earned.
