

## Distorted Diablo

### The Devil

6 Be-deviled devil  
9 has a hell of a time modern times  
6 to convince it is real  
6 human male or female?  
9 Does the devil dwell inside the earth  
6 or lurk in evil hearts?

### Distorted Diablo

Invented by Pat Simpson

Plays with biblical devil's number 666 and distorts it by flipping the middle number to get 696. The content is meant to follow the theme of the numbers.

1. Six-line stanza Sixain.
2. Both sixains have six syllables per line and the 9 line has 9 syllables.
3. Can be rhymed or unrhymed.
