

## Double Etheree

### Luminaries

White  
candles  
in windows,  
white wax candles  
on table parade.  
Lucia's candle crown—  
electric lights—not burning  
flames on the greenery, wreaths of  
holly, evergreen sprigs. Pagan past  
and other festivals of light glow bright  
with candles—Diwali, Kwanzaa, Christmas,  
Hannukah, Posada, Yalda, Yule.  
My secular candles—some lit  
if made of glass. Wax ones—not.  
White stalks in round holders,  
in toarpskronen.  
Oh, do I risk  
lighting them?  
Can't melt  
them.
