

Double Five

Computer Klutz

Computer glitches return when you're away
Accidental key hits create chaos.
Delete refuses to act. I'm flummoxed.
Mis-filed files can't be found.
Fonts can't change size or name. I'm stuck.

I stare at the screen- error messages.
Google sites do not click off. I'm lost.
Computer refuses my commands.
I can't rescue my miscues. I'm disconnected.
I need your confident techie touch.

Double Five:

1. Two quintains. Ten lines.
2. Metered or syllable count is poet's choice.
3. Rhymed or unrhymed is poet's choice.
4. Titled with the name of the subject of the poem.
