

# Etheree

## Cosmic Questions

Space  
bubble  
or membrane  
from the Big Bang  
or bumping bubbles  
rippling time/space fabric  
dark energy and matter  
eleven dimensions or more  
our universe is one of many  
multi-verses unfathomably far?

### **Etheree:**

Created by Etheree Taylor Armstrong

1. Syllable Count: 1-10 Ten lines.
2. Can center, flush left, reverse and attach to make diamond or arrowhead. Can make a series. Create your own configuration.
