## Two Right Feet

While searching for swim gear  
it was not clear in the dark.  
It seems I had a mis-match.

For swim shoes I'd appear  
one blue and one red- off mark-  
both right feet. That's the catch.

I've left towel, gloves and lock  
even left a pair of swim shoes  
but not this combination.

At the pool I took stock  
Though shoes not what I'd choose.  
I danced in celebration.
