### A Fifth Dimensional Shift

Following the light of the sun we left the Old World. Christopher Columbus

There's some New-Agers  
dimension stagers  
for good.

These hope engagers  
make hot front-pagers.

They should.

Now next presagers  
then post-New-Agers--  
who could?

## Lai

A French Lai is usually

1. A nonet of nine-lines.
2. There are two rhymes. The five-syllable lines rhyme a. The two syllable lines rhyme b.
3. If you go beyond the nine-lines you can introduce new rhymes for five and two syllable lines.
4. Some extend the a-b rhymes beyond nine lines.
