

Laurette

Oregon Spring

On one day-sun,
hail, snow, and rain.
Umbrellas up and down.
Clothing layers
on and off as
everyone wears a frown.

Advocates for Dark Chocolate

Chocolate high
energy boost
enhancing loving mood.
Health benefits
upbeat spirits–
but really just tastes good.

Spread the Word

Angels took flight
polluted air
brought gasps, coughs, nibbled wings.
Head toward heaven.
Put in good word.
See what saving grace brings.
