

Miku

Easter tree
dangles pastel plastic eggs
in gusty air

pink magnolia blossoms
mosaic sky
and ground

petals fringe sidewalks
blow to streets
brown on ground

don't dye eggs
unless you eat them
bunny's hopping mad

after Easter
bunnies deliver bunnies
not eggs

bunnies celebrate
spring in
a bun dance

Miku:

1. Created by Kevin Taylor from traditional haiku.
2. Eliminate articles. A few words per line and no title.
3. Use simplest and fewest elements to gain greatest effect.
4. Miku is from minimalist.
