

Monoterra

Shall We Dance?

In some way I just gotta dance
and give my achy joints a chance.
Somehow I want to twirl and prance.
effect a tap or ballet stance.

Flowing ballroom, jarring hip-hop,
contemporary ranks on top
Irish, Hispanic I can't stop
wishing dream balloon will not pop.

Bollywood and folk dance are fun.
Knee arthritis thinks it has won.
Ai chi dance in water I've done.
so dance routines have now begun.
