## Too Big Bangs

The Big Bang & San Diego's 4<sup>th</sup> of July Big Bay Boom 2012

A singularity exploded in The Big Bang.  
part of a cosmic multi-versal plan.  
San Diego's fireworks caused great pang  
when all at once blasted out of the can.

The old Big Bang may be part of a bubble  
that burst when ripples bumped.  
This new 20 second booming trouble  
left the viewers and workers stumped.

Perhaps Big Bang left bursts that ever-lasts.  
Particles created us we trust.  
A computer glitch caused multiple blasts  
20 minute show became 20 seconds bust.

Too Big Bangs illuminated the dark.  
No one was injured in these experiments.  
Two Big Bangs created awesome spark.  
The latter left patriotic crowd resentments.
