Everything's Spacey

- 10a What's space—dark energy, dark matter, stars
10a galaxies, universes, magnetars,
4b planets, suns, moons
6b particle zoo, gamma rays, brane balloons,
10b stellar elements spewing into spittoons?
- 10c Space has radiation, holds dark and light,
10c spurs imagination and brings delight;
4d ignites science
6d with their theories and math in alliance
10d find that all doesn't fall in compliance.
