

## Redondilla

### Kim's Garden

Amid Oregon farmland sits  
verdant garden, trees with stone nests  
with edged outlines, with driftwood crests,  
fountains, fire pit, blossom blitz.  
In wheelbarrow, wagon, buds bloom  
in cement cowboy boots, in arch  
color-coded beds, heads, vines march  
Moles, voles, gophers dig. dog-watched loom..
