Why?

- A Now what is the multiverses' purpose  
B and just what is it all supposed to mean?  
a Is it some violent power trip pose--  
b a light-sower with some darkness to glean?  
a Entities to create life I suppose  
b would want pulverized planets very clean?  
A Now what is the multiverses' purpose  
B and just what is it all supposed to mean?
- a Why the collisions when matter arose?  
b Why so little light on emerging scene?  
a Why this cosmic plan? Is there one? Who chose?  
b Why does so much remain unknown, unseen?  
A Now what is the multiverses' purpose  
B and just what is it all supposed to mean?
