When Will the Birds Arrive?

When will the bird arrive?
The cherries really thrive.
They glisten on the tree.
waiting so patiently.

Grandpa can't reach them all
Ladder is not that tall.
Grandkids are not the trick.
They are not here to pick.

Waiting so patiently,
they glisten on the tree.
The cherries really thrive.
When will the birds arrive?

Most years birds share the feast and beat us to the best!
