

Sardine

Orion Prophecy Theory

- a How many Doom's Day theories delve
b in our Earth's catastrophic end?
b Many converge on 2012.
a This shakes world view we can't pretend.
c So much tragedy to deal with.
d There's a theory called Orion
d based on Egyptian and Mayan
c with a pole shift we hope is myth
e Atlanteans escaped south pole
e predicted cataclysms whole
f planet shook from. Left their wisdom
f in records for millennium.
e When do theories become belief?
e When will theories bring us relief?
