

Septone

Shake the Ache

Water therapy in pool
before dawn each day

achily

shakily

breakily

snakily

hope to dance and play.

Septone:

1. Based on your phone number. Also use as a poem using someone else' phone number. Can add area codes.
2. My phone number has several repeat numbers so I enjoy rhyming the same numbers.
3. Rhyme Scheme: Not needed at all but mine worked out a-b-c-c-c-c-b
