

## Triptinelle

### Magnificent Avatars

Angels flit from star to **star**  
across multi-verses to **star**  
*in galactic dramas near and far.*

It does not matter what form you **are**  
they can transform you—you **are**  
*your essence—magnificent avatar.*

Light and love flows from **afar**  
Angels shine brightly from **afar**  
*in galactic dramas near and far.*

Angels prod dream quest **ajar**  
open and leave your divinity **ajar**  
*your essence—a magnificent avatar.*

*In galactic dramas near and far  
your essence—a magnificent avatar.*

### Triptinelle:

1. I am calling this a Triptinelle because I tripped up and can't find it's real name.
2. So I will tell the pattern and hope you have fun with it,
3. Four triplets and a couplet. Mono-rhymed.
4. The first two lines rhyme same end word. The third line ends up repeating. I indicated the lines that repeat with an asterisk.
5. Repeated lines indicated: A1-A1-A2\* A3-A3-A4\* A5- A5-A2\* A6-A6-A4\* A-2\*-A-4\*
6. **Rhymes bolded.** *Repeat lines italics.*
