

## Triquain Tristich

Japanese Tsunami's Legacy

Debris  
thrust by tsunami westward  
pollution awareness waves

Sunrise

At dawn  
sunlight sprinkles, sparkles joy  
unless it's gray, cloudy day

### **Triquain Tristich:**

1. There is another version that combines haiku and cinquain. This version has three lines.
2. Line 1 introduces the subject. Line 2 expands on the subject and leads to action.. Line 3 is the enlightenment of the question.
3. Syllable Count: 2-7-7
4. Titled unlike haiku.
