

Tweeku

Christmas Tweeku

Christmas
brings sour notes of
singers.

Christmas
strews strands of bright lights
at night.

Christmas
busts diets with some
fat foods.

Christmas
gifts or re-gifts do
mean well.

Christmas
family parties
means stress

Many
festivals of light
praise sun.

Christmas
focuses on just
one son.

Christmas
pageants act out this
story.

To me
this is a season
of light.

To me
joy, compassion, peace
and love

Make this
holiday of light
special.
