Honest to God Angels

- 10a Concept of angels is inscrutable--
6b at least it is to me,
10a Their existence irrefutable
6b imaginatively.
10c Angels' demeanor is so appealing
10c it's too bad they are not more revealing.
- 10d They live in a heavenly dimension.
6e without poverty, fear.
10d The angels are a hopeful suspension
6e of what we all hold dear.
10f Angels live in a realm of joy and light
10f at least if I have the promotion right.
- 10g With free will I can believe they are real.
6h These messengers of love
10g can uplift what we do, perceive and feel.
6h But must they stay above?
10i I'd like to see them down to earth bringing
10i universal good and creative winging.
