

Virelet

Cosmic Consciousness.

Supporters of singularity say
It's the Big Bang.
The supporters of m-theory portray
brane bubbles clang

Somehow the locally universe sprang--
some explosion?
From a vaster, active multiverse brang
some implosion?

Credibility under erosion
Theories researched
My brain suffers skeptical corrosion,
cosmically lurched.

Virelet:

Created by Viola Berg

1. Any number of quatrains.
2. First stanza alternate long/short lines. Actual metric length and pattern of alternate lines is poet's choice.
3. Interlocking rhyme: a-b-a-b b-c-b-c c-d-c-d etc.
4. The example used 10-4-10-4 syllable quatrains.
