

Waltz Wave

The Easter Bunny

This
Easter
the
bunny
is coming
but is
late.
Baskets
now hidden
and stuffed high with
surprises.
Quatrain clues
that
lead to
hiding place.
Bunny
hopped
away,
smiles

Moon-Draw

Moon
sky patch
lights
the night
blocks the stars
from view
spies
one-eyed
telescope
on fragile Earth
sky bandaid
plugs black
hole
with light
tugs the tides
ruffles
seas
tempers
me
